Your fury hardens me. Dryden's Aurengzeib.

A guard *there*; seize her. Dryden's Aurengzeib.

4. It is used at the beginning of a sentence with the appearance
of a nominative case, but serves only to throw the nominative
verb behind the verb: as, *a man came*, or *there came a man*.
It adds however some emphasis, which, like many other
idioms in every language, must be learned by custom, and
can hardly be explained. It cannot always be omitted with-
out harshness: as, *in old times there was a great king*.

For reformation of error there were that thought it a part
of Christian charity to instruct them. Hooker.

There cannot in nature be a strength so great, as to make
the least moveable to puls in an instant, or all together,
